

RICHARDSON HIGH SCHOOL ORCHESTRA

2026-2027 CORPORATE SPONSORSHIP PROGRAM

INVEST IN STUDENT MUSIC EDUCATION AND ENSURE EQUITABLE ACCESS TO THE ARTS

Orchestra fosters life lessons about self-discipline, integrity, teamwork, responsibility and hard work so that students can go out into the world and impact it in a positive way. Supporting the arts demonstrates a visible commitment to youth development and local education as well as directly reducing student fees by investing in uniforms, clinicians, trips, instrument repairs, sheet music, and scholarships to students in need.

RICHARDSON HIGH SCHOOL ORCHESTRA

IN KIND DONATIONS

In-kind donations such as donated goods, professional services or gift certificates are incredibly helpful. We can always use gift certificates for raffle baskets, to feed students before concerts or to orchestrate events with the student leadership team.

If you would like to make an in-kind donation, please contact the RAOC at RAOCsponsorship@rhsorchestra.org to discuss how you can support our program.

WHY SUPPORT THE ORCHESTRA?

Your tax deductible donation will help us bring attention to our fundraising efforts and help us expand support of student performers.

Your tax deductible donation will help us bring attention to our fundraising efforts and help us expand support of student performers.

Orchestra shapes students in multifaceted ways, equipping them with valuable life skills as they learn to collaborate and problem solve in real time.

Students who are engaged in the arts are twice as likely to graduate college as their peers with no arts education.

Orchestra teaches the responsibility of instrument care as well as learning to overcome difficult tasks as their progress advances from beginner to skilled player. The commitment to practicing and improving can translate into their other school studies as well as helping them to cope with future life challenges.

Learning to read music increases cognitive skills such as concentration and visual recognition. Studies indicate that this tends to give kids who participate in orchestra programs higher success in other learning areas like math and reading.

The Richardson Area Orchestra Club (RAOC) is a 501(c) non-profit organization that focuses on providing financial support for the students of the RHS Orchestra. This support also extends to the orchestra programs of the Richardson Area Learning community. In order to provide students with the best program possible, we are in need of your investment.

Unfortunately, many school programs are not able to be fully funded this year and public schools are currently navigating significant financial challenges beyond the control of local school districts. This means that we will need to rely on the generosity of community and local businesses to uphold our tradition of excellence for our student musicians.

Please consider becoming a sponsor for the 2026-2027 Year!
